8 IN THE UNITED STATES DISTRICT COURT
9 FOR THE EASTERN DISTRICT OF CALIFORNIA

10 JABAR HALLY,
11 Petitioner,

No. CIV S- 04- 0828 RRB CMK P

12 vs.
13 A.K. SCRIBNER, Warden,
14 Respondent.

14 _____/ ORDER

15 The court filed findings and recommendations in this case on December 14, 2006.
16 Petitioner has requested, and has been granted, two extensions of time to file objections to the
17 findings and recommendations. On March 1, 2007, petitioner filed a request for a third
18 extension of time to file objections to the findings and recommendations. In support of his third
19 request, petitioner avers that he has limited access to the law library and relies on other prisoners
20 for help in drafting objections.

1 Petitioner has had over two months to visit the law library and to secure help in
2 drafting his objections. Additionally, the court notes that petitioner just filed a well researched
3 motion to stay his case (doc. 26), which belies his claim that he cannot access legal materials or
4 get help in drafting legal documents. Accordingly, petitioner's third request for an extension of
5 time is denied.

6 IT IS SO ORDERED.
